

Mission

To improve, enhance, and promote arts education in Florida.

The arts:

- are basic to a complete education;
- are essential to the vitality and quality of life in schools and communities;
- address both cultural inclusiveness and diversity;
- are powerful in the education of students with special needs; and
- have a positive impact on student achievement.

Vision:

For every child in every school to have a well-rounded education that includes a comprehensive, sequential, high-quality program of arts instruction; and for all Florida communities to have broad-based cultural programs available to support lifelong learning in and through the arts.
