**FLORIDA'S PREMIER ARTS
EDUCATION CONFERENCE FOR
SCHOOLS AND COMMUNITIES**

**FLORIDA ALLIANCE
FOR ARTS EDUCATION**

OUR STORY

Since 1981, Florida Alliance for Arts Education (FAAE) has worked to bring schools and communities together to improve, enhance and promote lifelong learning, in and through the arts, from birth through adulthood.

The Arts are essential to the vitality and quality of life in schools and communities. Education is even more powerful when it includes arts instruction and broad-based cultural programs. As the statewide umbrella organization for arts education, we bring all forms of arts instruction together – music, dance, drama, visual art, literary arts and media arts. FAAE touches thousands of lives each year, serving educators, administrators, students, families, and advocates in rural and urban communities throughout Florida.

FAAE has worked with leading institutions such as the Florida Department of Education and Florida Department of State Division of Cultural Affairs, and supports statewide campaigns such as the Florida Grade Level Reading Campaign and the Florida Rural Economic Development Initiative.

EVENT DETAILS

THE SUMMIT

MARCH 31 - APRIL 2, 2023

Each year FAAE holds Florida's premiere Arts Education Conference for educators, administrators, community organizations, and advocates around the state. This year's theme is Arts Empowered: Schools, Communities, Lives. These three days will offer expert speakers, workshop sessions for professional development and critical resources for arts education professionals from all over Florida. **These professions have been a source of safety, comfort, unity and knowledge for all of us during the most isolating years of our generation.**

Its is **critical now** that arts educators receive the support, learning opportunities, networking and sharing spaces and time for reflection and preparation they need in order to continue serving our students and communities with the incredible passion and dedication they have always offered.

We ask you to be a part of this support system by supporting over **1,000** educators from **67** Florida counties who in turn support exponentially more K-12 students.

Join FAAE in the **celebration and ongoing support of arts educators in Florida!**
